Important Information!

Do not sign if you do not fully understand the policies. We are happy to explain the process if you have questions.

AFC Urgent Care Denver requires all patients or patient’s guarantor to link an H.S.A., credit card, or debit card with their patient profile. We can offer you two options:

- 1.) Allow us to place a card of your choice on file. If you have a balance on your account after insurance processes your claim the card on file will be ran for the full balance due. You do have the option of setting up a payment plan as well as removing your card on file after ALL charges have been paid.
- 2.) If you choose to not place a card on file, we will need to collect a \$140 deposit today in addition to your copay or deductible deposit. This amount will be applied to your outstanding balance after insurance processes your claim. In the event your insurance covers your visit, please contact the clinic to initiate the refund process.

This information is required prior to being treated. We will not be able to provide treatment without this payment information.

This policy does not apply to patients with Medicaid

I hereby authorize AFC Urgent Care Denver to charge my account for any deductible, coinsurance, copay, or non-covered services following receipt of my insurance carrier’s explanation of benefits. Furthermore, I understand that should my card not process successfully I may incur late charges, finance charges, and collections fees. If you have any questions, please call billing Monday through Friday from 8am to 4pm at 303-782-1111.
